Destinati al supporto ed alla connessione tra impianto e struttura protesica così da creare nel complesso un sistema impianto-protesico in grado di sostituire uno o più denti mancanti. La componentistica protesica

appartiene alla classe di rischio IIb, in accordo alla regola 8 dell'Allegato VIII del Regolamento UE 2017/745, dichiara sotto la propria totale esclusiva responsabilità, che tali dispositivi:

Intended for the support and connection between implant and prosthetic structure so as to create an overall implant-prosthetic system capable of replacing one or more missing teeth. The prosthetic components belong to risk class IIb, in accordance with rule 8 of Annex VIII of EU Regulation 2017/745, declare under its own total and exclusive responsibility, that these devices:

- Sono conformi ai requisiti generali di sicurezza e prestazione ed alle disposizioni del Regolamento (UE) 2017/745 come da Documentazione Tecnica presente in Azienda e depositata presso l'ente;
  Comply with the general safety and performance requirements and with the provisions of Regulation (EU) 2017/745 as per the Technical Documentation present in the Company and deposited to the institution;
- Non sono state utilizzate Specifiche Comuni per la conformità dei dispositivi;
  Common Specifications have not been used for device compliance;
- Sono fabbricati in accordo al Fascicolo Tecnico n. FT 003 IML, che soddisfa i requisiti di cui all'Allegato IX, capo I e III del sopra citato Regolamento, come da Certificato n. 0425-MDR-030034-01, rilasciato da ICIM S.p.A con sede in Italia a Sesto San Giovanni (MI) in Piazza Don Enrico Mapelli, 75, Organismo Notificato 0425, il 13 giugno 2023 con scadenza 12 Giugno 2028.
  Are manufactured in accordance with the Technical File n. FT 003 IML, which satisfies the requirements of Annex IX, chapters I and III of the aforementioned Regulation, as per Certificate no. 0425-MDR-030034-01, issued by ICIM S.p.A with headquarters in Italy in Sesto San Giovanni (MI) in Piazza Don Enrico Mapelli, 75, Notified Body 0425, on 13 June 2023 with expiry on 12 June 2028.
