Statement from Notified Body

We confirm that on 21.05.2024 the company Poldent Sp. z o. o. submitted an application for conformity assessment acc. EU Reg. 2017/745 to TÜV NORD Polska Sp. z o. o. (NB 2274), Mickiewicza 29, 40-085 Katowice. The process of analyzing the application is underway, which will result in the signing of a contract before 26.09.2024.

The application includes devices covered by the certificate of conformity to Directive 93/42/EEC No. TNP/MDD/0251/3772/2019, issued on 25.05.2021:

Instruments for root canal treatment:

- Endostar Paste Fillers with safety spring (PFL)
- Endostar Paste Fillers without spring (PFN)
- Endostar Peeso Reamers
- Endostar Gates Glidden
- Endostar Spreader Sonic Files
- Endostar NT2 Rotary System
- Endostar RE Endo Rotary System
- Endostar E3 Rotary System (versions: Basic, Small, Big)
- Endostar E3 Azure (versions: Basic, Small, Big)
- Endostar REvision
- Endostar EP Easy Path

Your sincerely,

Digitally signed by Katarzyna Doroszkiewicz
